

Airports Manager - Bay of Islands Airport (Kerikeri)

Applications are sought for the position of Airports Manager, Bay of Islands Airport.

This is an exciting opportunity for a skilled and experienced professional to lead the delivery of safe and efficient airport operations at Bay of Islands, Kaitaia and Kaikohe Airports. You will be an integral part of a team that is committed to continuous safety improvement and to the delivery of excellent customer services.

Bay of Islands Airport is a Civil Aviation Authority (CAA) Part 139 Certificated Airport servicing over 120,000 passengers per annum (pre-Covid).

The Airports Manager will play a pivotal role not only in the management of day-to-day operations but also in the delivery of our Airports Masterplan to enable the forecast growth in commercial and general aviation services on airport.

Demonstrated skills and experience in related sectors of the aviation industry will be an advantage.

You will need to meet CAA Senior Person requirements as per CAA Rule Part 139.
