## WELLINGTON AIRPORT TERMINAL EXTENSION SAFETY PLEDGE

GO ABOVE & BEYOND TO SAFETY

WORKING TOGETHER AS ONE PROJECT TEAM, WE WILL  
GO ABOVE AND BEYOND TO SAFELY EXTEND WELLINGTON  
INTERNATIONAL AIRPORT'S TERMINAL.

### COMMITMENTS

1. Everyone takes a leadership role in demonstrating their commitment to the project team and the public.
2. As a safety champion each individual will observe others work practices and encourage safe behavior.
3. All team members are treated with respect in an environment where diversity is celebrated.
4. Create and uphold a positive culture of support for the identification of hazards, near misses and reporting of accidents.
5. All employees are instructed, prepared or supervised to perform competently in their role.
6. All of the project team will wear the personal protective equipment required.
7. Ensure that everyone knows it's time safe, every day.
8. A focused goal on identifying unsafe behaviours and unsafe conditions, working towards Zero-Harm.
